

2011 Charity Recipients

The YMCAs of Canandaigua, Clifton Springs and Geneva—Our “cornerstone” agencies. Annually, each YMCA uses OCC funds to buy new equipment, provide membership and program “scholarships”, to fund capital projects and more.

Why participate in the OCC Tournament?

Our sponsors are proud of their involvement and our golfers go away with the feeling that they had fun, while making an important community contribution.

Perhaps your decision to participate is made because

- You want to make a charitable contribution,
- You enjoy a high quality community activity,
- You do your best work on the green.

Whatever your motivation, the OCC is the right decision. With your help, we will continue to make a positive impact in our neighborhoods.

How OCC began... Founders Max Farash and John Hicks (former Ontario County Administrator) brought the idea of the Ontario Charities Classic to a group of volunteers, as a way for the Farash family and Corporation to make a difference to thousands in Ontario County. The first year, the Canandaigua & Geneva YMCAs were supported and \$20,000 was raised. Over time, the Y's (with the addition of Clifton Springs) became “anchor charities”, as they provide volunteers who are seasoned and they serve the entire county.

Our OCC Mission

To raise money for selected Ontario County Charities through an annual golf tournament directed by a volunteer board, maximizing community involvement and striving to make OCC the best run and most enjoyable golf event in the area.

Over \$600,000 to local agencies—

During our first twenty one years, over \$600,000 has been distributed to Charities in Ontario County. The money has been used to establish new programs, reach out to new segments of the community, or as “start-up money” for new projects. In every instance, the proceeds from the Ontario Charities Classic have been used in ways that have made a difference to the people in our own neighborhoods.

Each year, a percentage of the proceeds is awarded to our anchor charities—the Canandaigua, Clifton Springs and Geneva YMCAs. At times, the balance goes to worthwhile agencies, selected each year by the OCC Board.
